About Affiliate Marketing

If you're someone with a following, or a business owner you might consider starting a side hustle as an affiliate marketer.

Affiliate marketing is a business model that allows entrepreneurs and influencers to promote products and services created by other brands.

As an affiliate marketer, when you're successful in getting your followers to buy products using your unique affiliate links, you will receive a commission for the leads and sales you generate.

Business owners can earn a percentage of the sale, a fixed amount or a recurring fee for each sale that results from their unique affiliate links.

Affiliate marketing is a great way to start a [side hustle](#) or a full time business. Discover how to get started with affiliate marketing, generating income from your blog or other platform.

The great thing about affiliate marketing is that it's a method that can be used again and again with different products, to bring in multiple streams of income.
